

Nordique Resources Commences Trading on Tradegate Exchange

Vancouver, Canada – June 26, 2025 – Nordique Resources Inc. ("**Nordique**" or the "**Company**") (CSE: NORD, OTC Pink: NORDF, FSE: V0U) is pleased to announce it has received its listing on Tradegate Exchange in Germany. This move enhances Nordique's visibility and accessibility to European investors, providing an exciting opportunity to broaden its shareholder base.

"This listing on Tradegate Exchange marks an important milestone for Nordique as we continue to expand our presence in Europe," said Sharyn Alexander, CEO of Nordique Resources. "It provides us with a unique opportunity to connect with a diverse and growing pool of investors, further solidifying our commitment to transparency, accessibility and long-term growth."

About Tradegate Exchange

Tradegate AG operates as a market specialist on Europe's most liquid retail exchange -- the Tradegate Exchange. As a market specialist and liquidity provider, Tradegate manages over 10,000 German and international stocks and exchange-traded products (ETPs). This ensures fast and direct execution of securities orders, making it an ideal platform for investors. Tradegate is the leading liquidity guarantor on the broker side, showcasing steady growth since the turn of the millennium.

A listing on Tradegate Exchange provides several possible benefits, including:

- **Increased visibility:** Companies can gain access to a broader pool of European investors, enhancing their market presence.
- **Access to capital:** A broader investor base can lead to greater interest in future capital raises, facilitating growth and expansion initiatives.
- **Liquidity:** Tradegate is known for its efficient trading platform, which can improve liquidity for listed stocks, making it easier for investors to buy and sell shares.
- **Diverse investor base:** The exchange attracts both retail and institutional investors, which can help diversify the company's shareholder base.
- **Direct execution:** The exchange facilitates fast and direct execution of securities orders, benefiting both the company and its investors.
- **Enhanced credibility:** Being listed on a reputable exchange can bolster a company's credibility and attract more serious investors.
- **Regulatory compliance:** Listing on a regulated exchange ensures adherence to high standards of transparency and governance, which can increase investor confidence.

Overall, a listing on Tradegate Exchange can significantly support a company's growth strategy and shareholder engagement.

Forward-Looking Statements

This news release contains "forward looking statements" or "forward looking information" (collectively, "Forward Looking Statements") that involve a number of risks and uncertainties. Forward Looking Statements are statements that are not historical facts and are generally, but not always, identified by the use of forward looking terminology such as "plans", "targets", "expects", "is expected", "budget", "scheduled", "estimates", "forecasts", "outlook", "intends", "anticipates", "believes", or variations of such words and phrases or that state that certain actions, events or results "may", "could", "would", "might" or "will" be taken, occur or be achieved, or the negative of any of these terms or similar expressions. The Forward Looking Statements in this news release relate to, among other things; the receipt of regulatory approvals; the Company's ability to exercise the Option; the Company's future exploration plans; and likely approaches to exploration on the Isonvea Property. Forward Looking Statements are based on certain key assumptions and the opinions and estimates of management, as of the date such statements are made, and they involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to be materially different from any other future results, performance or achievements expressed or implied by the Forward Looking Statements. In addition to factors already discussed in this news release, such factors include, among others, risks relating to the Company's business, including possible changes in project parameters, including schedule and budget, as plans continue to be refined; uncertainties with respect to actual results of current exploration activities; the impact of global conflicts, including resulting changes to the Company's supply chain and costs of supplies; product shortages; delivery and shipping issues; limitation on insurance coverage; accidents, labour disputes and other risks of the mining industry; delays in obtaining governmental approvals or in the completion of development or construction activities; opposition by social and non-government organizations to mining projects and smelting operations; unanticipated title disputes; claims or litigation; cyber attacks and other cybersecurity risks; changes to tax regimes in the jurisdictions in which the Company operates; as well as those risk factors discussed or referred to in any other documents filed from time to time with the securities regulatory authorities in all provinces and territories of Canada and available on SEDAR+ at www.sedarplus.ca. The reader has been cautioned that the foregoing list is not exhaustive of all factors which may have been used. Although the Company has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in Forward Looking Statements, there may be other factors that cause actions, events or results not to be anticipated, estimated or intended. There can be no assurance that Forward Looking Statements will prove to be

accurate, as actual results and future events could differ materially from those anticipated in such statements. The Company's Forward Looking Statements reflect current expectations regarding future events and speak only as of the date hereof. Unless required by securities laws, the Company undertakes no obligation to update Forward Looking Statements if circumstances or management's estimates or opinions should change. Accordingly, readers are cautioned not to place undue reliance on Forward-Looking Statements.
