

Nordique Resources Announces Uplisting to the OTCQB Venture Market

Vancouver, Canada – July 10, 2025 – Nordique Resources Inc. ("**Nordique**" or the "**Company**") (CSE: NORD, OTCQB: NORDF, FSE: V0U) is pleased to announce that it has successfully upgraded from the OTC Pink Market to the OTCQB Venture Market. The uplisting is effective July 10, 2025, and the Company's common shares will continue to trade under the ticker symbols "NORD" on the Canadian Securities Exchange (CSE), "NORDF" on the OTCQB, and "V0U" on the Frankfurt Stock Exchange.

"Uplisting to the OTCQB marks an important milestone for Nordique as we continue to expand our presence among U.S. investors," stated Sharyn Alexander, CEO of Nordique Resources. "This enhanced market visibility will support our broader strategy to build long-term shareholder value as we advance our exploration portfolio in tier-one jurisdictions."

The OTCQB Venture Market provides an established platform for early-stage and growth companies to enhance their visibility in the U.S. market. Real-time quotes and market information on Nordique can be found at www.otcmarkets.com.

About Nordique Resources

Nordique Resources Inc. is a Canadian mineral exploration company focused on discovering and advancing high-potential gold opportunities, with a strategic mandate to build a diversified portfolio across prospective mineral belts. The Company's main asset is the Isonvea Gold Project in the under-explored Western Finland Gold Belt. Nordique also maintains the early-stage Fairview Project in British Columbia. By pairing modern, data-driven exploration with strong local partnerships, Nordique aims to generate significant shareholder value through new discoveries in key jurisdictions.

Forward-Looking Statements

This news release contains forward-looking statements, including in relation to and the potential benefits of the Company's shares being posted for trading on the OTCQB, and the Company's prospects and business and plans generally, and other statements that are not historical facts. Forward-looking statements are often identified by terms such as "will", "may", "potential", "should", "anticipate", "expects" and similar expressions. All statements other than statements of historical fact, included in this release are forward-looking statements that involve risks and

uncertainties. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. Important factors that could cause actual results to differ materially from the Company's expectations include the failure to expand the Company's shareholder base or to attract U.S. investment interest, and other risks detailed from time to time in the filings made by the Company with securities regulators. The reader is cautioned that assumptions used in the preparation of any forward-looking information may prove to be incorrect. Events or circumstances may cause actual results to differ materially from those predicted, as a result of numerous known and unknown risks, uncertainties, and other factors, many of which are beyond the control of the Company. The reader is cautioned not to place undue reliance on any forward-looking information. Such information, although considered reasonable by management at the time of preparation, may prove to be incorrect and actual results may differ materially from those anticipated. Forward-looking statements contained in this news release are expressly qualified by this cautionary statement. The forward-looking statements contained in this news release are made as of the date of this news release and the Company will update or revise publicly any of the included forward-looking statements as expressly required by applicable law.
